INTERNSHIPS AND PROJECTS

Internships: **Gaurav go Games Technologies Private** (Duration September 2024 -October 2024)
I recently completed a one-month Customer Support internship, where I took on a challenging project to enhance customer engagement strategies. My role involved developing effective communication templates, creating user-friendly support documentation, and optimizing responses for better customer satisfaction. The internship was conducted entirely online, and I successfully delivered all tasks within the stipulated timeframe. I'm proud to share that my dedication and performance earned me a certificate of excellence for my outstanding contributions.

Dzinepixel Web Studio (May 2024 - Oct 2024)

Web Development Intern

During my 5-month internship at Dzinepixel Web Studio, I successfully completed several impactful tasks and projects, showcasing my proficiency in HTML, CSS, Bootstrap, and JavaScript. Here are the key highlights:

- **Developed Professional Applications:** Designed and implemented visually appealing, responsive, and user-friendly web applications using modern web technologies.
- **Interactive Features:** Integrated interactive elements to enhance user engagement, demonstrating creativity and technical expertise.
- **Client Interaction:** Collaborated closely with clients to understand their requirements, provided technical insights, and incorporated feedback to deliver web designs tailored to their expectations.
- **Support and Feedback:** Offered post-delivery support to ensure seamless functionality, addressing client concerns and implementing necessary updates.
- **Professional Growth:** Expanded my skillset by learning the basics of PHP and jQuery. Additionally, I proactively shared my work on GitHub to document and demonstrate my progress.

This internship honed my technical and interpersonal skills, equipping me with a solid foundation in web development and client collaboration. I successfully completed the internship within the designated time frame and was awarded a certificate in recognition of my achievements.

Skills Used: HTML, CSS, Bootstrap, JavaScript, React.js, PHP (Basics), jQuery (Basics).

SKILLS AND ACHIEVEMENTS

Technical Skills: MS Excel, MS Office, MS Outlook, HTML, CSS, JAVASCRIPT, REACT JS, NODE JS, MONGO DB, JAVA, MYSQL, J2EE, BOOTSTRAP, DATA STRUCTURE and GITHUB
